

9S

Classe 9S has an eye-catching, futuristic design and is made from tough materials, such as stainless steel and aluminium, so it's packed with character.

Shock-absorbing side panels guarantee a sturdy machine that's practical to use.

Available with 2, 3 and 4 groups.

The soft-touch button control makes starting and stopping the machine while dispensing extremely effortless and easy.

Stunning lights on the steel side panels and the floating front panel accentuate the design, lending the machine a strikingly elegant yet bold and trendy look.

Classe 9S is fitted with side bumpers that absorb any knocks or bumps. Functionality and an incredibly sturdy design are the distinctive hallmarks of the new Classe 9S.

Classe 9S has an ergonomic lighting system in the work area to make the barista's job easier plus chrome group covers and all the distinctive stylish accessories from the Rancilio range.

The YouSteam manual steam control heats and froths milk. The extremely easy to use ergonomic steam wand guarantees perfect milk foam of the finest quality every time, so you can serve an impeccable cappuccino. (on demand).
